

Q Ship USA Provides Ultimate Freight Shipping To Customers

Brooklyn, New York, November 4, 2014 -- **Q Ship USA** is a leading Third-Party Logistics service provider in the shipping industry, catering Nationwide and Canada. Their broad range of services includes LTL, Full Truckloads, Reefer Loads, Intermodal and more. No matter what's being shipped, **Q Ship USA** guarantees optimal service and rates. By constantly working on enhancing and increasing their carrier database, they ensure that every shipment is provided for according to its precise requirements.

Charles Kohn, CEO of **Q Ship USA** knows all about accommodating customers. After operating in the service industry for 22 years and amassing vast experience by catering to over 6,000 clients, he certainly understands what it means to deliver a quality service experience for the consumer.

“We create unique service plans to cater to the specific needs of our customers. Every lane and each distinct shipment gets individual attention from one of our skilled representatives. No shipment is too large, too small or too complex,” says Charles Kohn, CEO. “My personal goal is to ensure that every client of **Q Ship USA** receives the ‘Royal Service Their Freight Deserves’.”

Receive a rate quote simply by filling out a Freight Quote request online, emailing info@qshipusa.com or by calling 844-774-4787. Once a shipment is processed, customers are able to track their shipment at any time using a free online tracking tool. They will be confident that their valuable freight is being cared for in capable hands.
