

## Q Ship USA Offers Freight Shipping of High Quality at Competitive Prices

**Brooklyn, NY December 16, 2014** – Q Ship USA is a Freight Brokerage company who offers quality freight shipping services at reasonable prices. The company guarantees safe arrival of their clients' freight in a timely manner. Q Ship USA's devoted and knowledgeable staff offers great service and savings to their clients. The services of the company include LTL, truckloads, volume shipments, rail, frozen and refrigerated loads, trade show and exhibit shipments and expedited shipping too. Q Ship USA extends its services to Canada and USA. The aim of the company is to find the right way to get the shipment to the right destination at the right price.

Q Ship USA's trucking services can be customized in order to fit the specific needs of each customer by creating a unique logistics plan by their knowledgeable team. Their free online tracking tool allows users to track the whereabouts of their freights when it is in transit. The company offers secure and economical volume freight options to their customers who ship large and high volume freight. All of their services are provided at economical rates without compromising on service.

Q Ship USA provides time-critical services and develops a customized plan to match the needs of their valued clients. For those extra-sensitive shipments they offer the option of guaranteed delivery to ensure its timely arrival. According to Jim Klade, an official on the site, "We understand and listen to our clients' needs and work hard to strengthen our carrier network to benefit our customers." With a few hundred clients to boast, seems like his statement is appreciated by many. For more information, visit <http://www.qshipusa.com/>.
